

Pahokee Lions Buy \$721 Worth Of New Park Equipment

Pahokee Lions at their Tuesday luncheon meeting passed a resolution in which each member is pledged to purchase one or more bonds during the coming Victory Loan drive. The purchases are to be made through the club secretary. In addition the Lions have appointed a special committee that will assist Malcolm Miller and other officials in the drive.

It was announced that the club was assuming the purchase of \$721 worth of playground equipment for the new city recreation park. This will include a wading pool for small children, four swings, a high slide, a low slide and similar equipment. Frank Rozelle is chairman in charge of this project and Charles S. Brown, his assistant.

A bill turned in by Principal D. D. Caudill for \$25 covering costs of eyeglass correction for Pahokee school children was approved and voted to be paid by the Lions. Pvt. Raymond Christian, Army flight instructor home on furlough, spoke briefly of some of his experiences in the service. Pvt. Christian was injured a few weeks ago in a plane crash in Hawaii. Other guests were Cecil Barnes and Sam McKinstry, Sr.

Council Plans Sewerage Survey

The Pahokee City Council at a meeting Tuesday night voted to accept a contract with Smith and Gillespie, sanitary engineers of Jacksonville, for a sewerage survey and cost estimate for the Pahokee area, the cost of the engineering service not to exceed \$1,500.

Also accepted at the meeting was a new tax roll which calls for the collection of \$19,093.03 in taxes from property within the city limits assessed at \$1,060,724.

T. L. Keen was granted the use of city property on Bacom Point Road for farming purposes.

The regular opening hour for the council meetings was advanced from 8 to 7 p. m.

Archie Harris Opens Real Estate Office

Archie Harris, Pahokee attorney, this week announces establishment of a real estate office in Belle Glade where he will spend the major portion of his time. Mr. Harris has moved to West Palm Beach on account of the health of their son, Mike, who has been quite ill living on the muck.

Mr. Harris says in an opening ad that he will specialize in Glades properties and invites all interested persons to contact him when they desire to sell or rent any kind of property in this section.

Robert O. Lampi, The Second, Not Junior, Is New Pahokee Arrival

The Pahokee high school band held their first rehearsal at six o'clock Thursday morning, October 25—exactly two months before Christmas—when Robert O. Lampi the second, not junior, arrived in Pahokee. Young Lampi, as the second, not junior, will in all probability follow in the foot steps of his musically inclined father and be wielding a baton over a group of musicians as the passing of a couple of decades.

Mrs. Albert Fremd Wins \$5 For Recipe

The Jax Beer ad in this issue of The Everglades News carries an interesting recipe for barbecuing spare ribs by Mrs. Albert Fremd of Canal Point. For several months the Jax Brewing company of Jacksonville has been paying \$5.00 in cash for interesting regional recipes. Mrs. Fremd has received her check from Jacksonville for \$5.00 in payment for the recipe which is reproduced in the Jax ad this week. You'll enjoy reading Mrs. Fremd's recipe.

Pahokee Band Buys New Instruments

The Pahokee High School Band had the good fortune of being able to purchase a group of some 30 musical instruments formerly used by the USSC band in Clewiston before it was disbanded. The instruments have been in storage for the past two years but on the whole are in excellent condition, according to Bandmaster Robert O. Lampi.

The band itself will keep several of the instruments including a Sousaphone, bass clarinet, alto clarinet, bassoon and snare drum that are needed to balance its various sections. The other instruments are being sold to individuals. Most of these have been spoken for, however, there are still a few for sale, a Sousaphone, a trombone, two mellophones, a tenor saxophone and perhaps one or two others. If you want to buy one of these you had better contact Mr. Lampi immediately.

The Pahokee High School Band now has 39 members and with more instruments now available it is expected to have 45 playing members by the time the winter and spring concert season opens. Mr. Lampi is looking forward to a 50-piece band for the next school year. Good work, Mr. Bandmaster!

First Beans Roll To Northern Marts

First beans of the fall season on the north end of the Lake deal will go over the grading belts today at Pope-Johnson packing house. The beans were grown by L. L. Stuckey and were of the bountiful variety. W. H. Vann also plans to pack some beans today. It is expected that all shipments will bring the ceiling of \$2.95.

DR. YOUNG SPEAKS

Dr. W. C. Young of Canal Point was in charge of the program last week at the regular meeting of the Pahokee Rotary club. His topic dealt with "Ethics as they apply to the medical profession."

Terry Lee Named State Budget Head

Terry Lee of Marianna, a brother of Mrs. Johnny Thomas of Pahokee, was named state budget director by Governor Caldwell on Tuesday of this week. Mr. Lee was once Governor Caldwell's secretary when Caldwell was a member of congress. The state budget directorship pays an annual salary of \$5,000.00.

Lee, who was discharged from the Navy last week, will immediately take over the job of checking funds needs and expenditures of state department and institutions.

The governor said he has asked Fred C. Elliott "to advise and counsel with" Lee in the position. Elliott has been acting budget director since soon after the 1945 legislature created the job. He also has continued to serve as secretary to trustees of the Internal Improvement fund and secretary of the state budget commission.

The new law provides for a budget director to make a detailed study of each of the many state departments, recommend changes that appear necessary in their financial procedures and give his appraisal of their fund needs.

His department will have a \$40,000 annual operating appropriation.

200 In Sunday School Is Goal Of Church Of God In Pahokee

The Church of God in Pahokee, with Rev. J. M. Gresham as pastor, making an effort to better an already splendid record of Sunday School attendance. Last Sunday and the Sunday before there were 104 in attendance and this Sunday it is hoped that this record will be broken.

On Sunday, Nov. 4 the church will celebrate Rally Day and it is hoped that 200 will be in attendance at Sunday School. Elmer Upthegrove is superintendent and J. E. Waddell is his assistant. Both are working for the 200 goal on Rally Day.

On Rally Day the oldest mother in attendance will be given an orchid and the youngest mother will receive a corsage. The mother present with the largest number of children will be given a box of candy.

Regular Sunday services are held in the recently acquired building which served as a meeting place for the Episcopal church members. Construction is under way on the Church of God building located on the adjoining lot.

T-Sgt. and Mrs. Alvin Armstrong have returned from a visit of several days with his brother-in-law and sister, Petty Officer 1-c and Mrs. Jack Phillips, in Miami.

Carnival Planned For Wednesday Night

The annual Halloween carnival will be held on Lorraine in Pahokee next Wednesday night. The parade will start promptly at 7:30 under the lights. Special awards will be made to the youngsters. Prizes will be given for the most original, prettiest, most comical and most typical Halloween costumes. Each room will have special entertainment after the parade. High school students will have a dance in the gym with music by Morris Weems and his orchestra from Miami.

Sugar Harvest Is Started In Glades

Good news for the nation's well-scrapped sugar bowl comes from the rich Everglades cane land with a promise of one of the largest sugar crops in many years. Indications are that the bumper harvest, under way this week, would provide a one-month supply for every person in the United States.

"Only the September hurricane kept the crop from setting an all-time record for the Everglades," declared Clarence R. Bitting, president of the United States Sugar Corporation, largest single cane producer on the continent.

The company's 12 plantations extending some 52 miles around the southern shore of Lake Okechobee, started cane moving from 30,000 acres this week. Grinding operations both for company produce and that of independent growers will be conducted on a "round-the-clock schedule until the close of the harvest." In addition to raw sugar, the Glades crop will provide upwards of 5,000,000 gallons of black strap molasses.

Dr. Spooner Ordered To Rest 2 Months

Dr. D. S. Spooner of Pahokee this week announces that effective Saturday, Oct. 27, he will see no more patients for a period of two months. Dr. Spooner said he had been advised by a heart specialist to take it easy for this specified period of time.

New 1946 Ford Is On Display Today

Frank Rozelle, salesman for B. Elliott in Pahokee, said yesterday that the new Ford would be on display in Pahokee today (Friday) in the Elliott show rooms. Mr. Rozelle said the car would be a 1946 tudor sedan.

D. J. Kimball of Miami is visiting his brother and sister-in-law, Mr. and Mrs. Lee Kimball in Azucar this week.

Dragline Bought By County Monday For Glades District

County Commissioner district No. 5, represented on the county board by Paul Rardin, will have a dragline for use in building Glades roads just as soon as the Clewiston Motor company can make delivery which is expected to be around the first of the year. The dragline was bought at Monday's meeting of the county board and was the culmination of 9 months and 20 days effort on the part of the Canal Point commissioner who started in the day he took office—Jan. 2—to secure a dragline for this district.

The dragline is a Lorain and is powered by a full Caterpillar diesel motor and was bought at a price of \$12,990.00 which includes some special equipment. E. E. Kelly, proprietor of the Clewiston Motor Company, said this week that extra effort would be expended by his organization to get the machine into the Glades at the earliest possible moment.

Commissioner Rardin was pleased with the action of the board on Monday when it okeked the dragline order. At the same meeting Rardin asked the board to advertise for a mowing machine to keep the weeds down on what county roads there are in the Glades district.

Holland To Seek Seat In Senate

Many Lake Okechobee Region friends of Former Governor Spessard L. Holland were glad this week to hear definitely that he plans to be a candidate for the United States Senate next spring in the June primary election. He will oppose Senator Charles O. Andrews of Orlando.

When he was a candidate for governor, Holland won a host of friends in the Lake farming area and many of them have, in the past few months, urged him to seek the senate seat in Washington. That his support in this section of Florida will be strong, goes without saying.

Bosworths To Open Photo Studios

Mr. and Mrs. Bosworth are opening two modern photography studios in Pahokee, one for white patrons to be located on the main street of Pahokee as soon as a suitable building can be obtained and another for colored persons which has already been established in colored town. The Bosworth Studios will be equipped for all kinds of photography from aerial shots to large portraits in color. Their speciality will be the photographing of parties, weddings and other social events.

Mr. Bosworth was in the Army Signal Corps, specializing in artillery photography, for three and a half years before receiving his discharge with the rank of technical sergeant on Oct. 3. Before she received her discharge from the WAC some time ago Mrs. Bosworth also specialized in photography in the Army Signal Corps. Since her arrival in Pahokee six months ago she has been employed as registered nurse at the Everglades Memorial Hospital. Mr. and Mrs. Bosworth and small son are making their home in one of the Elliott cottages on Barfield Highway.

I. S. Guthrie returned this week from a business trip and visit with relatives in Georgia.

Mr. Otto R. Bleech

Pahokee, Florida.

Dear Mr. and Mrs. Bleech,

The saddest and most difficult job of my life is that of telling you of the death of your son. Every man in our squadron sends his sympathy to you. We feel our loss nearly as much as you, as there was no one in our group so well loved by us all.

The accident happened on August 10th. after we had been at sea several days. Two sections of planes were affecting a rendez-

vous and Otto's plane was hit from underneath and behind, by the leader of the second section. His plane dove into the sea close by the one that had collided with him. No persons got out of either plane and there was no wreckage on the water. A destroyer was at the scene ten minutes later and searched the area for an hour. We had several planes circling the collision, but there was nothing anyone could do. It was over in several seconds.

We are sending his clothes and letters to you and will send his pictures and pictures of the memorial service held aboard ship that night.

That such a tragedy had to happen, when we were so near Vic-

tory and the end of fighting, seems to make our loss seem so much greater. Otto had done more and given more than anyone of us, but his modesty and enthusiasm made him our most valuable officer. I think there is little need to tell you how much we valued his friendship and how greatly we are feeling his loss.

I only wish that there were something we might do to lessen your sadness, but I know that there is not. If there are any questions or further information you desire, do not hesitate to write me.

With deepest sympathy,
A. F. Buddington,
Lieut. USNR,
Commanding.

Who pays in advance at the birth of the year,
Who lays down the money and does it quite gladly,
And casts round the office a halo of cheer.
He never says, "Stop it, I cannot afford it;
I'm getting more papers now than I read."
But always says: "send it; our people all like it—
In fact we think it a help and a need."
How welcome his check when it reaches our sanctum;
How it makes our pulse throb; how it makes our heart dance!
We outwardly thank him; we inwardly bless him—

Rattle Snake Goes After Education In School Supt. Office

A five-foot diamond-back rattle-snake lost his head in search of learning last Wednesday when he crawled up the courthouse steps in Moore Haven, found a screen slightly ajar and made his way into the office of Mrs. Margaret K. Farnam, county superintendent.

Mrs. E. P. Ewing, chairman of the county school board, was in the office at the time, signing some checks and it was when she arose from her chair and started to leave that she saw the snake. It has not been definitely established just what Mrs. Ewing did but we have Mrs. Farnam's statement that she immediately climbed upon the office desk and shouted for help. There was not a man in the courthouse at the time so a courier was dispatched to the school house and soon boys arrived to exterminate the reptile.

The snake had quite a collection of rattles and was about four inches in diameter. It seems probable that he was driven into town by the high water.

This incident should cause everyone to exercise caution for a time because many of these dangerous snakes may have been driven from the prairies by the recent high water.

Mrs. James C. Cook of Little Rock Ark., is now visiting her parents, Mr. and Mrs. Wesley Wade, and Mr. and Mrs. O. B. Cook of South Bay.

AIRACOBAS TESTED ON SINCLAIR PENNSYLVANIA MOTOR OIL

When Bell Airacobras, deadly pursuit planes, are given the works on test flights their 1150 horsepower Allison engines are kept safely lubricated with Sinclair Pennsylvania Motor Oil—the same quality Sinclair Pennsylvania sold by your nearby Sinclair Dealer.

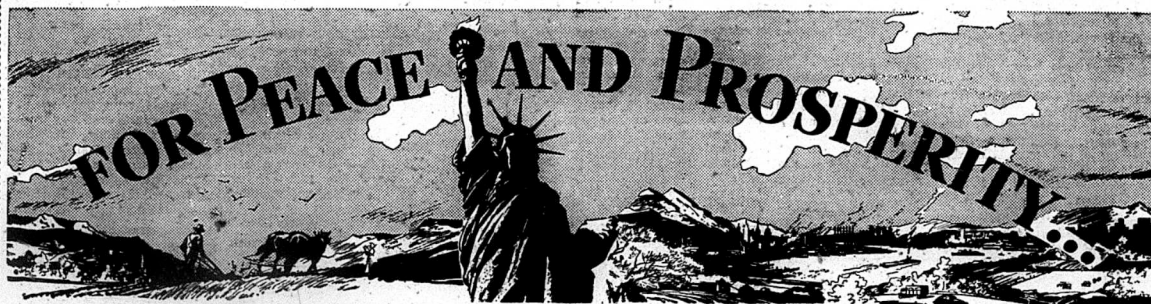

Now that your car *must* last longer, keep it safely lubricated with the same quality oil that protects the Airacobra's engine at 305 m.p.h. Have your Sinclair Dealer drain and refill your crankcase with Sinclair Pennsylvania Motor Oil every 1,000 miles. It lasts so long it saves money as well as your engine.

THE FUTURE BECKONS

With a Busy Hand!

NOW THAT the war is over, it's time to open the doors to the days ahead. They're going to be busy, exciting days.

For one thing, the Telephone Company plans the greatest expansion program in its history in Florida—aimed at meeting the telephone needs of a great state.

It means providing telephones for all who have been waiting for them. This is one of our first jobs! A greatly expanded telephone program for our former friends is also in process. Expansion of long distance service is being scheduled too. It will include the installation of coaxial cables to handle more calls with speed and convenience for you, and provide more facilities for that exciting visual art—television. A mass of construction is to be done and a new service to motor vehicles is also in the offing.

Those are the high spots. They have been ideas on the drawing board. They will become realities as materials become obtainable. There will be the marshalling of prosperity's Three M's—Men, Money and Materials, the forces that brought Florida and the Telephone Company to their present positions, that won them the friendship and confidence of the public.

This expansion program calls for the expenditure of millions of dollars in Florida. And telephone people like the idea of putting money for expansion into Florida, contributing to the general welfare and prosperity of the state, through its men and women, its wage-earners, its families, its communities.

Our optimism for the future is based on the record of the past. Florida and the 5125 men and women of the Telephone Company have grown up together, and watched each other grow. Now, in the days ahead, the same friendly relationship will continue. The future beckons with a busy hand.

THE RIGHT TRACTOR
FOR THE PARTICULAR JOB

THE proverbial Jack-of-all-trades was master of none. The modern world of science and technology passed him by.

The same principle applies to farm tractors. The tractor that does a wide variety of jobs unsatisfactorily can't possibly produce the greatest results at the least cost in any job.

But that's what the farmer—particularly the small operator—has got to do in postwar competition: he's got to produce the most food possible with the least cost and, consequently, at the lowest cost.

The farmer with 10 acres in truck crops needs one kind of tractor. The farmer with 100 acres in wheat alone needs another kind—or, as is usually the case, two or more different tractors. The tractor which does a good job on the Great Plains may be useless in the

rice territory. And so it goes.

Conditions of climate, the lay of the land, and the character of soils in the different parts of this vast country, together with wide variations in the nature of crops and the size of operations, combine to produce wide differences in the requirements for tractors. Harvester's policy is to meet all these requirements.

That is why Harvester's postwar line includes a great variety of Farmalls and other specialized tractors and attachments rather than a single tractor with a single system of tools. Every tractor in the line was developed after scientific research and testing under actual operating conditions showed the specifications needed for efficiency and economy.

Every Harvester-built tractor is the right machine for its particular job.

Miss Hudson Weds Eugene Vorhees

Miss Lola Eris Hudson of Pahokee, daughter of Mr. and Mrs. C. C. Hudson of Roanoke, Ala., became the bride of Chief Water Tender Eugene Vorhees, U. S. Navy, at a beautiful candlelight ceremony held at the home of Mr. and Mrs. G. B. Ramey on Bacom Point Road Saturday, Oct. 20, at 7 p. m. Rev. Carl A. Moberg, pastor of the Pahokee Baptist Church, officiated at the single ring ceremony.

As he read the vows Rev. Moberg stood beneath an archway formed by two tall candelabra with long white lighted tapers. The archway was flanked by floor baskets of large white chrysanthemums, tube roses and ferns and a bank of potted palms was in the background. The living room was decorated with bouquets of red roses and the dining room, with pink coral vine, pink roses and fern.

Mrs. C. A. Moberg sang "I Love You Truly" and "Oh Promise Me", accompanied at the piano by Miss Peggy Moberg who also played the traditional wedding march.

The bride was given in marriage by B. W. Wood, father of the matron of honor, Mrs. Charles A. Baker, with whom the bride has made her home in Pahokee for the past year. She wore a light blue wool traveling suit with white accessories and carried a corsage of white gardenias on top of a white Bible with white satin streamers studded with tube rose buds. A fingertip veil was attached to her flowered half hat.

Mrs. Baker, matron of honor, was attired in a street-length dress of pink wool with white accessories and wore a shoulder corsage

of tube roses and white pom-pom asters.

Boyd Thomas Vorhees of Pahokee, brother of the groom, was best man.

The bride is a graduate of Handley High School in Roanoke and since her arrival in Pahokee approximately a year ago she has been living at the home of Mr. and Mrs. B. W. Wood and has been employed in the Azucar offices of the U. S. Sugar Corporation.

The groom, son of Mrs. Laura Vorhees of Indiana, is a graduate of Moore Haven High School, Class of 1936. He has been in the Navy during the entire nine years following graduation and served on a U. S. cruiser in the Pacific during the war.

Mrs. Baker and Mrs. Ramey were hostesses at the reception which followed the ceremony. The dining table, laid with a Madeira cloth and lighted with white tapers in crystal double candle holders, had as a centerpiece a large three-tiered wedding cake topped with a miniature bride and groom. After the bridal couple joined hands in cutting the cake, it was served to guests by Mrs. Boyd Vorhees while Miss Irene Shackford presided at the punch bowl. Approximately 25 guests were at the reception. Flash photographs of both reception and wedding scenes were made by Bill Bosworth, Pahokee's new professional photographer.

After the reception the bride and groom left on a three weeks' wedding trip along the East Coast

BAPTIST CHURCH

A staff of some 100 officers and teachers will lead the First Baptist Church Sunday School of Pahokee in its new church year objective of averaging at least 250 in attendance, set by the superintendent O. O. Gilbert. Under the direction of Mrs. W. M. DuBose, newly elected Associate Director, The Training Union hopes to increase its average to 700. The director as yet has not been elected. Last Sunday the Sunday School and Training Union enjoyed an attendance of 225 and 112, respectively.

The recently reorganized adult choir presents a selection each Sunday at the eleven o'clock hour. The director, Rev. C. A. Moberg, hopes to build this to 40 voices. A Young People's choir, under process of organization, will sing each Sunday night, and with the Intermediate Choir, 50 voices in all, will augment the song service conducted by R. Cowart. Mrs. L. Jaudon, orchestra manager, will present this group, it is hoped, Sunday night. The Ladies' Quartet and the Men's Quartet present numbers each Sunday.

This Sunday morning, the pastor will preach on "Timothy, Eunice and Lois", honoring the members and friends of the T. E. L. Sunday School Class.

After which they will visit their parents in Alabama and Indiana before he reports for reassignment in the Navy at Macon, Ga., on Dec. 10.

M. M. (Bill) Young is seriously ill in North Carolina where he has been taking treatment for several weeks. Mrs. Young is at his bedside. She was accompanied by her brother, Edwin Connell and Mrs. Connell.

Fort Pierce Plays Blue Devils Nov. 2

Blue Devils meet the Fort Pierce Eagles on Lair Field next Friday night, Nov. 2. This will be the third and most important Indian River Conference game played by Pahokee to date. News reports from Fort Pierce have ignored the Blue Devils as contenders for top ranking honors in the Indian River Conference this year and it is said they expect to defeat Pahokee by a four or five touchdown margin.

VISITS IN PAHOKEE

Staff Sergeant Robert McIntosh, located at an army air base in Harwood, N.H., was in Pahokee this week visiting his brother, H. M. McIntosh and Mrs. McIntosh. Sgt. McIntosh lived in Enterprise, Ala., before entering the service and it was there that he spent part of his furlough before coming to Pahokee.

TWO ESPECIALLY APPETIZING REGIONAL FAVORITES

BARBECUED SPARE RIBS

A "sheet" of 3 or 4 pounds of pork ribs, cut in pieces, is spread in a roasting pan, meatier side up. On each piece place a very thin slice of onion and a thin slice unpeeled lemon. Roast for 30 minutes in a 450 degree oven. Bring to a boil a sauce made of: 1 cup ketchup, 1/3 cup of Worcestershire Sauce, 1 teaspoon chili powder, 1 teaspoon salt, a dash Tabasco Sauce. At the end of 30 minutes, turn oven down to 350 degrees and pour the hot sauce over the ribs. Bake one hour longer. Taste and "sozzle" the ribs in the sauce every 15 minutes during the hour. If the sauce gets too thick, add more water. Serve with rye or wheat bread and frosty, tangy JAX Beer.

JAX has mailed \$5.00 to Mrs. Albert Freund, Canal Point, Florida, for this interesting regional recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida.

Jax and Golden Beer

When your appetite's yearning for something especially satisfying and tasty, try Barbecued Spare Ribs and golden JAX Beer for an outdoor supper. Both of these regional favorites embody the tangy goodness that's characteristic of South-eastern food and drink.

JAX, the regional Drink of Friendship, has a special something of its own, because it's brewed to suit the special tastes of the region. JAX is a truly great regional beer, mellow and mild and pleasing. Try JAX today and you'll agree that it's a premium beer in quality although not in price.

Say JAX!
you can't buy
better beer
at any price!

STEAK SUPPER

Members of the Pahokee faculty enjoyed an outdoor steak supper Tuesday evening at the home of Mr. and Mrs. D. D. Caudill. Others present were Dr. John I. Leonard, Mr. and Mrs. Carmen Salvatore, Rev. and Mrs. Moberg, Dr. and Mrs. W. H. Lair, Mr. and Mrs. Frank Hobbs, Mrs. Laurie Holt, Mrs. Clyde Alley, Mrs. Charles Brown, Miss Jean Harlow, Mrs. Ned Koehler, Mrs. Marge Erickson, L. L. Shirley, Frank Colson, Robert Douthitt, H. L. Speer and Dave Cunningham. After dinner, Mr. Caudill, strumming on his guitar, led the group in singing old favorites.

VISITORS

Recent visitors to the high school were Sam Scruggs, now on military; Gene Waits, also from the Army Air Corps, and Sam Lovell, a student at the University of Florida. —Thelma Sockwell has recently enrolled in the Pahokee High School. —Donald Smith is back in classes again after a weekend spent in Camp Blanding.

EDITORS EYE VIEW

The Seniors of Pahokee High are prosperous. Basil Todd, who is the John Barrymore of the class, is our president. A man of many moods, Barrymore Jr., is a good president. He eats his Bexel and Ironized yeast; therefore he is always full of vim and vigor. Now we switch to the more colorful part of the picture —Wilton Giddens B. A., M. D., and D. D. T. He has good ideas and will get things done. With him and Todd the class is fairly (Physically fit). Milton (Crooner) Carpenter, our representative for the Seniors in the Lions Club, is a good boy—at least in Physics. Miss (Clair Luce Booth) Barwick is a very intelligent person and sociable. Too bad one person has to have all the intelligence. Hedda Hopper Kimbal who is "The Poised one" though somewhat vague in her knowledge of Latin, is usually sweet and adds social grace to the class. Look for more analysis next week.

RECREATION

Coach Charles Brown, our assistant coach and, by the way, our gift from Atlanta Georgia, is very interested in securing recreational facilities for Pahokee. Now is the time and Coach Brown is the man—to break away from much talking with little action, of years past. Once we had plans; now we have plans and civic clubs to finance and execute them.

We, the students of Pahokee High, doff our hats to Coach. And thanks to you, the civic-minded citizens of Pahokee, for something more than a skating rink and a theatre.

RECENT OPERATIONS

By Paul Rardin

I've been seeing a familiar face in these parts during the past few days. It is none other than Zelotti Arden Geiger—the aviator. He is back in our midst and has made arrangements for an airport on Bacom Point Road and will be back in the dusting business within a couple of weeks. He will leave in a few days to go north after another plane in order that he may have a couple of dusters with which to carry on his business. Geiger was in the dusting business in Pahokee for several years and all of a sudden he decided to farm in Georgia. Farmers in this area have expressed delight over the fact that he is soon to be back in the dusting business.

The recently organized Belle Glade IOOF lodge officers are as follows: Noble Grand, H. S. Burns; Vice Grand, Ed Barbee; Secretary, J. K. Baker and treasurer, George Baker, Sr. Another meeting will be held next Wednesday night at the city hall in Belle Glade and the charter meeting will be held at the school house on Nov. 4. The new lodge will be known as Glades Lodge No. 36.

Lovda Williams Has "Tacky" Party

Mrs. H. T. Williams entertained at a supper and "tacky" party honoring her daughter, Lovda, at their home on Canal Point Road Saturday evening. The hostess was assisted in the entertaining by Mrs. Bill Jones, Mrs. Bill May, Mrs. Al Beverly and Mrs. Dave Cunningham. Prizes were awarded to Louis Pope and Charlotte Cate for coming to the party dressed in the "tackiest" clothes. Other guests were Donna Lynn May, Judy Starling, Zella Jones, Stella Sue Barnes, Arlene Raneri, Barbara and Carol Jacobs, Carol Carpenter, Christine Molton, Tommy Lee Usher, Peggy Lynn Shirley, Shirley Watson, Dolores Williams, Harlene Williams, Judy Cunningham, David Cunningham, Chuck Elliott, Farris Kincaid, Jon Pope, Alvin Segree, Tommy Chastain, Don and Max Beverly, Bob Schroeder, Joe Edward Beverly, Wesley Wiley and Michael Hope-rich.

Major John T. Pickett, who has been stationed with the U. S. Army Engineers in China, is now enroute home, according to word received here by his family.

C. A. Batchelor was a business visitor in Atlanta, Ga., the past week.

Devils Win 21-6 In Colorless Game

In defeating the Cocoa Tigers, 21 to 6, on Lair Field last Friday night the Pahokee Blue Devils maintained their record of consecutive victories this season but they disappointed local fans by playing a colorless, ineffectual game. They lacked the spirit, playing precision and good physical condition that made them look so promising in their first two games against Delray and Okeechobee.

Their blocking and tackling was weak, except for that of Tackle Wilton Giddens who played a bangup game in the line. No doubt they felt the absence of two first string men, Right End Donald Smith who was at Camp Blending taking a physical and Right Tackle Frank Tillis who was ineligible, however, that cannot be the answer as to why they didn't click.

One wonders if the Blue Devils would have scored at all had it not been for the consistent gains through the line of their over-worked fullback, Thomas Dickson, who made all three of the touchdowns, one each in the second, third and fourth quarters. If you have any doubts about Dickson

being the hardest working man on the team, just compare his sweat-soaked uniform with those of other players after the first ten minutes of play. Another bright spot in the contest was the kicking of points after each touchdown by Quarterback Wilbur Geiger. It was a pleasure to see Geiger's newly educated toe go into action.

Personal Items

Dr. H. W. Blackburn, superintendent of the Methodist Church Miami District, delivered the sermon at the evening service of the Pahokee Methodist Church Sunday. Following the service Dr. Blackburn conducted the first quarterly conference of the year at which local delegates were elected to attend the district conference in West Palm Beach, Dec. 11 and 12.

Cpl. Lavon (Puñk) Batchelor, Army Air Corps, is spending a 60 day furlough in Pahokee visiting his parents, Mr. and Mrs. C. A. Batchelor. He is stationed at Ephrat, Wash.

Robert O. Lampi, music director at Pahokee schools, attended an executive board meeting of the Florida Bandmasters Association in Okeechobee on Sunday. Final arrangements were made by the board for the Music Clinic to be held in Tampa Nov. 19-20. Band-

masters from Fort Pierce, Lake Wales, Sebring and Pahokee were present at the meeting.

The Pahokee Western Union office is changing operators again this week. Miss Prindle Felts has been transferred to Bradenton and she is being replaced by Miss Elizabeth McKinny who comes from Winter Haven.

Members of the Pahokee High School Senior Class entertained at a dinner party in the Woman's Club building Tuesday night, honoring the high school faculty, class sponsors, room mothers and Superintendent John I. Leonard. Basil Todd, class president, acted as toastmaster and gave the address of welcome. Supt. Leonard responded. After the dinner dancing was enjoyed in the gym.

Road Patrolman and Mrs. W. R. Kaufman have moved into a house in Geiger's subdivision in the Southeast residential section. The residence they vacated on Bacom Point Road has been purchased by Mr. and Mrs. Paul Watson from Jack Chastain. The Watson family will make their home there.

★ NAVY DAY ★ OCTOBER 27, 1945 ★

Well Done, NAVY!

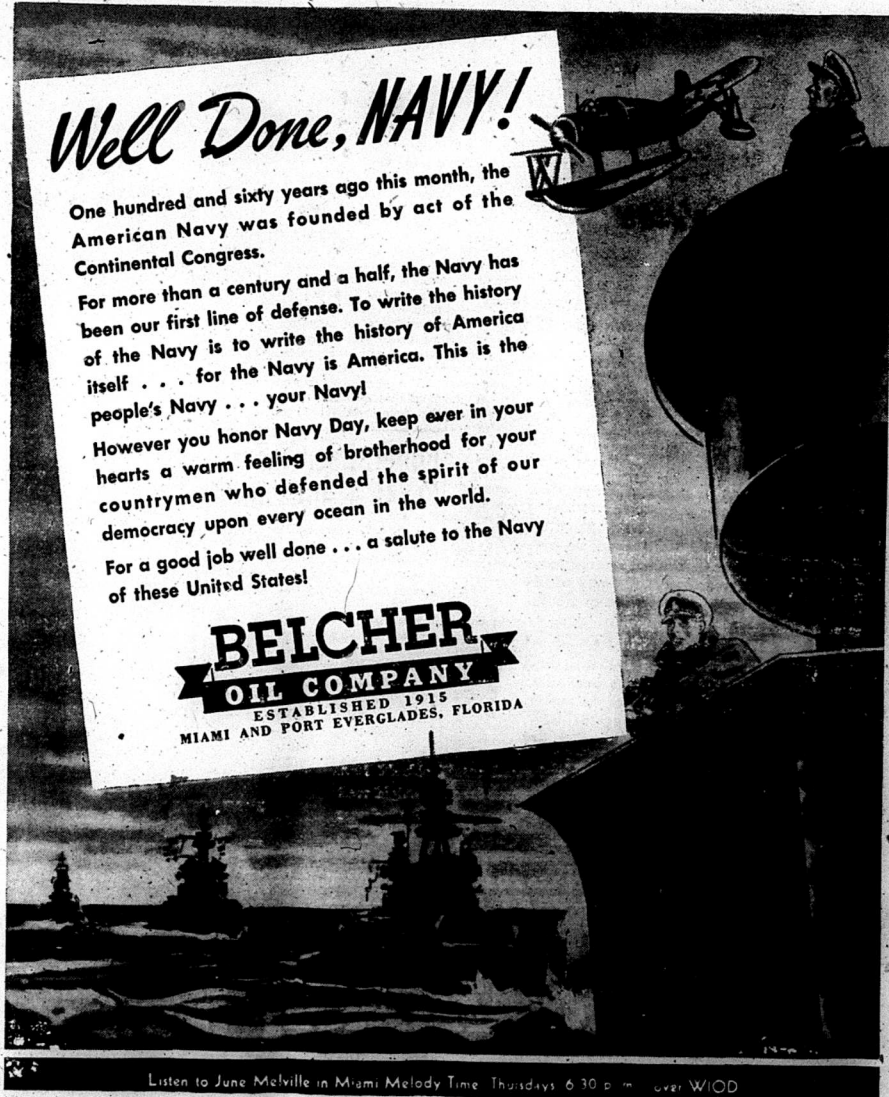

One hundred and sixty years ago this month, the American Navy was founded by act of the Continental Congress.

For more than a century and a half, the Navy has been our first line of defense. To write the history of the Navy is to write the history of America itself . . . for the Navy is America. This is the people's Navy . . . your Navy!

However you honor Navy Day, keep ever in your hearts a warm feeling of brotherhood for your countrymen who defended the spirit of our democracy upon every ocean in the world.

For a good job well done . . . a salute to the Navy of these United States!
